Announcing the

E-Verify™ Informational Seminar

The Department of Homeland Security invites you to its E-Verify Informational Seminar, a half-day information session. Attendees will have the opportunity to learn about the E-Verify program and its proper use. A live demonstration of the E-Verify system and a question and answer segment will allow participants to receive a full understanding of the program and key features.

What is E-Verify?

E-Verify is a free Internet-based system that gives employers the ability to confirm the legal working status of a new hire in seconds. E-Verify is a partnership between the Department of Homeland Security (DHS) and the Social Security Administration (SSA). E-Verify works by allowing participating employers to electronically compare employee information taken from the Form I-9 (the paper-based employee eligibility verification form used for all new hires) against more than 425 million records in SSA's database and more than 60 million records in DHS immigration databases. Over 50,000 employers use E-Verify and 1,000 new employers are joining the program each week.
