Freedom of Information/Privacy Act Request

INSTRUCTIONS

Please read ALL Instructions carefully before completing this form.

Applicants making false statements are subject to criminal penalties (Pub.L. 93-579,99 Stat. (5 U.S.C. 552a(i)(3)).

Are There Cases When You do not Use This Form?

Do not use this form:

- (1) To determine status of pending applications, write to the office where the application was filed or call the nearest INS office;
- (2) For Consular notification of visa petition approval, use Form I-824 (Application for Action on an Approved Application or Petition);
- (3) For the return of original documents, use Form G-884 (Request for Return of Original Documents);
- (4) For records of naturalization prior to September 27, 1906, write to the clerk of court where naturalization occurred; or
- (5) For information on INS manifest arrivals prior to December 1982, write to the National Archives.

How Can You Obtain Copies of Records from INS?

Persons requesting a search for access to INS records under the Freedom of Information or Privacy Acts may submit the completed application to the INS office nearest the applicant's place of residence. Requests may be submitted in person or by mail. If an application is mailed, the envelope should be clearly marked "Freedom of Information" or "Privacy Act Request." The INS Internet address is:
<http://www.ins.usdoj.gov>.

What Information is Needed to Search for Records?

Please Note: Failure to provide complete and specific information as requested in Item 5 of the form, may result in a delay in processing or inability to locate the record(s) or information requested. You may access "<http://www.access.gpo.gov/su-docs>" for a description of DOJ/INS systems of records.

Verification of Identity in Person.

Requesters appearing in person for access to their records may identify themselves by showing a document bearing a photograph (such as an Alien Registration Card, Form I-551, Citizen Identification Card, Naturalization Certificate, or passport) or two items which bear their name and address (such as a driver's license and voter's registration).

Verification of Identity by Mail.

Requesters wanting access to their records shall identify themselves by name, current address, date and place of birth, and alien or employee identification number. A notarized example of their signatures or sworn declaration under penalty of perjury must also be provided (this Form G-639 or a DOJ Form 361, Certification of Identity, may be used for this purposes).

Verification of Identity of Guardians.

Parents or legal guardians must establish their own identity as parents or legal guardians and the identity of the child or other person being represented.

Authorization or Consent.

Other parties requesting nonpublic information about an individual usually must have the consent of that individual on Form G-639 or by an authorizing letter, together with appropriate verification of identity of the record subject. Notarized or sworn declaration is required from a record subject who is a lawful permanent resident or U.S. citizen, and for access to certain Legalization files.

Can My Request be Expedited?

To have your request processed ahead of ones received earlier you must show a compelling need for the information.

How Do You Show a Compelling Need?

A requester who seeks expedited processing must explain in detail the basis of the need and should submit a statement certified to be true and correct to the best of your knowledge and belief. You must also establish one or more of the following exists:

- (1) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual, or result in the loss of substantial due process rights;
- (2) An urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information; or
- (3) A matter of widespread and exceptional media interest in which there exists possible questions about the government's integrity which affect public confidence.

Fees.

Except for commercial requesters, the first 100 pages of reproduction and two hours of search time will be furnished without charge. Thereafter, for requests processed under the Privacy Act, there may be a fee of \$.10 per page for photocopy duplication. For requests processed under the Freedom of Information Act, there may be a fee for quarter hours of time spent for searches and for review of records. Search fees are at the following rates per quarter hour: \$4.00 clerical; \$7.00 professional/computer operator; and \$ 10.00 managerial. Other costs for searches and duplication will be charged at the actual direct cost. Fees will only be charged if the aggregate amount of fees for searches, copy and/or review is more than \$14.00. If the total anticipated fees amount to more than \$250.00, or the same requester has failed to pay fees in the past, an advance deposit may be requested. Fee waivers or reductions may be requested for a request that clearly will benefit the public and is not primarily in the personal or commercial interest of the requester. Such requests should include a justification.

INSTRUCTIONS *Continued*

When Must I Submit Fees?

Do not send money with this request. When requested to do so, submit fees in the exact amount. Payment may be in the form of a check or a United States Postal money order (or, if form is submitted from outside the United States, remittance may be made by bank international money order or foreign draft drawn on a financial institution in the United States) made payable, in United States currency, to the "Immigration and Naturalization Service". A requester residing in the U.S. Virgin Islands shall make his/her remittance payable to "Commissioner of Finance of the Virgin Islands," and, if residing in Guam, to "Treasurer, Guam". **DO NOT SEND CASH AT ANYTIME.**

A charge of \$30.00 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn. Every remittance will be accepted subject to collection.

Routine Uses.

Information will be used to comply with requests for information under 5 U.S.C. 552 and 552a; information provided to other agencies may be for referrals, consultations, and/or to answer subsequent inquiries concerning specific requests.

Effect of Not Providing Requested Information.

Furnishing the information requested on this form is voluntary. However, failure to furnish the information may result in the inability of INS to comply with a request when compliance will violate other policies or laws.

General Information.

The Freedom of Information Act (5 U.S.C. 552) allows requesters to have access to Federal agency records, except those which have been exempted by the Act.

Privacy Act Statement.

Authority to collect this information is contained in Title 5 U.S.C. 552 and 552a. The purpose of the collection is to enable INS to locate applicable records and to respond to requests made under the Freedom of Information and Privacy Acts.

The Privacy Act of 1974. (5 U.S.C. 552a).

With certain exceptions, the Privacy Act of 1974 permits individuals (U.S. citizens or permanent resident aliens) to gain access to information pertaining to themselves in Federal agency records, to have a copy made of all or any part thereof, to correct or amend such records, and to permit individuals to make requests concerning what records pertaining to themselves, are collected, maintained, used or disseminated. The Act also prohibits disclosure of individuals' records without their written consent, except under certain circumstances as prescribed by the Privacy Act.

Public Reporting Burden.

Under the Paperwork Reduction Act (5 U.S.C. 1320), a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex. The estimated average time to complete and file this application is 15 minutes per response, including the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler you may write to the Immigration and Naturalization Service, HQPDI, 425 I Street, N.W., Room 4307r, Washington, DC 20536; OMB No. 1115-0087.
