If you are 15 years of age or older and your medical examination for temporary residence did not include a serologic test for HIV, you should choose a doctor from a list of doctors or clinics in your area that have been approved by USCIS to perform medical examinations and make arrangements with the doctor or clinic to have a serologic test for HIV.

How to Check If the Fees Are Correct

The form and biometric fees on this form are current as of the edition date appearing in the lower right corner of this page. However, because USCIS fees change periodically, you can verify if the fees are correct by following one of the steps below:

2. Review the Fee Schedule included in your form package, if you called us to request the form; or
3. Telephone our National Customer Service Center at **1-800-375-5283** and ask for the fee information.

NOTE: If your application requires payment of a biometric service fee for USCIS to take your fingerprints, photograph, or signature, you can use the same procedure to obtain the correct biometric fee.

If Form I-698 is not signed or accompanied by the correct fee, it will be rejected with a notice that the Form I-698 is deficient. You may correct the deficiency and resubmit the Form I-698. An application or petition is not considered properly filed until accepted by USCIS.

Initial processing. Once the Form I-698 has been accepted, it will be checked for completeness, including submission of the required initial evidence. If you do not completely fill out the form, or file it without required initial evidence, you will not establish a basis for eligibility, and we may deny your Form I-698.
