Book Outline

20/22/28 CFR Plus, 8 CFR Plus, and The WHOLE Act.

20/22/28 CFR Plus:

This publication contains immigration related regulations of the Department of Labor (20 CFR), Department of State (22 CFR) and Department of Justice (28 CFR), with an exhaustive topical INDEX.

"What makes Patel's 8 CFR Plus and 20/22/28 CFR Plus stand out among the other books of regulations is its excellent system of finding aids, combined with its easy-to-read and easy-to-use format of presenting the regulations. This version of regulations has withstood the test of time and is perhaps the most user-friendly of the versions available."--From the Foreword by William Stock

8 CFR Plus

This is an affordable book for anyone involved in the immigration process. It contains (1) the complete set of INS regulations (8 CFR), (2) exhaustive Topical INDEX, and (3) expanded table of contents.

The Whole ACT-INA

This unique and useful research tool contains hundreds of annotations providing a brief synopsis of the provisions referenced in any particular INA section -- a real time saver.

"There are several available versions of the Immigration and Nationality Act. I subscribe to most of them. For over 15 years, however, I have thought that Patel's version, called The Whole Act, was the best of the bunch. I heartily endorse it. It is easy to read. It is intelligently annotated and indexed. And in 15 years so far I have never caught a mistake. Buy it, and use it every day."--From the Foreword by Bruce Hake
