

Instructions for N-644, Application for Posthumous Citizenship

Department of Homeland Security
U.S. Citizenship and Immigration Services

Instructions

Please read these instructions carefully to properly complete this form. If you need more space to complete an answer, use a separate sheet(s) of paper. Write your name and Alien Registration Number (A #), if any, at the top of each sheet of paper and indicate the part and number of the item to which the answer refers.

What Is the Purpose of This Form?

Public Law 101-249, as amended, provides that an alien or non-citizen national of the United States who dies as a result of injury or disease incurred by active duty with the U.S. Armed Forces during specified periods of military hostilities may be granted U.S. citizenship.

If the application is approved, a Certificate of Citizenship will be issued in the name of the deceased veteran.

The certificate establishes that the decedent is considered a citizen of the United States as of the date of his or her death. Posthumous citizenship is an honorary status commemorating the bravery and sacrifices of the veteran. The certificate allows certain qualifying family members to apply for benefits under section 319(d) of the INA or remain classified as immediate relatives for obtaining lawful permanent residence.

When Should I Use Form N-644?

The application must be filed no later than two years after the date of the decedent's death.

Who May File Form N-644?

1. You may file this form only if your relationship to the decedent was:
 - A. Spouse;
 - B. Father/Mother;
 - C. Son/Daughter; or
 - D. Brother/Sister.
2. You are the decedent's representative, defined as:

 - B. Guardian, conservator, or committee of decedent's next-of-kin;

C. Service organization recognized by the Department of Veterans Affairs; or

D. The Secretary of Defense or the Secretary's designee with USCIS after request by the next-of-kin.

NOTE: After a Certificate of Citizenship has been issued for a veteran, U.S. Citizenship and Immigration Services (USCIS) will **not** approve any later application on his or her behalf, except in the case of an application to replace a certificate that was lost, mutilated, or destroyed.
